Notes from Fr. Tom

Dear Loyola Parishioners & Visitors,

What a celebration last Sunday! Fr. Carlos expressed his amazement of and gratitude for the warm welcome he received when he arrived last year and the festive farewell celebration hosted for him. The food was abundant. The desserts even more so. The music was great. And, the parish turnout for the Spanish Mass surprised him. But one of the things he was most grateful for was the number of people who were at the reception in Brady Hall. The room was filled with a good spirit, laughter, conversation, life.

A special thanks goes out to Sue Culig who initiated the conversation about what the parish was going to do and then took the lead organizing the event. So many people prepared food, helped serve, helped set up and clean up, set up a "Texas" table, that I dare not list more names. Thank you all for contributing to the celebration. Thank you for your warm embrace of Fr. Esparza. I am sure he took all his experiences of the last year into his annual retreat which he began Monday. Pray for him as he finishes retreat and vacations afterwards before starting doctoral studies in a month.

As we continue our national celebration of independence from England, let us remember and be sensitive to those for whom the 4th of July is difficult. Men and women who suffer PTSD from war, mass shootings, deadly explosions, and other such traumas. Let us enjoy professional fireworks displays of our choosing, and not be submitted to those not of our choosing but rather frighten us in their close proximity.

Happy 4th!

Fr. Tom

'CARE FOR OUR COMMON HOME' MAGIS TEAM

Let Us Be Merciful to Our Common Home, the Earth

From Pope Francis' Encyclical Laudato Si'/On Care For Our Common Home: *"If the simple fact of being human moves people to care for the environment of which they are a part, Christians in their turn 'realize that their responsibility within creation, and their duty towards nature and the Creator, are an essential part of their faith.' It is good for humanity and the world at large when we believers better recognize the ecological commitments which stem from our convictions."* Our next meeting is Tuesday, July 26 at 6:30 pm in the Family Center. All are welcome! (Please note, our meetings typically fall on the second Tuesday of the month. This meeting is being postponed so we can attend the July 12 prayer service.) *Please recycle this bulletin when you are done reading it.*
